SECTION 2 — MISSION, VISION & TARGET POPULATION

MISSION STATEMENT

Elevate for Humanity Technical and Career Institute delivers industry-recognized credential programs to SNAP recipients, ABAWD participants, Returning Citizens, and workforce-ready individuals across Marion County and surrounding Indiana communities. Our model combines hands-on credential training, wraparound supportive services, and direct employer connections to achieve sustainable, living-wage employment outcomes. We believe that access to a credential — not a four-year degree — is the fastest, most direct path to economic self-sufficiency for the populations we serve.

VISION

A workforce ecosystem in which every individual — regardless of economic background, justice involvement, or prior education — has access to the credentials, support, and employer connections needed to achieve economic self-sufficiency. Elevate envisions a Marion County where SNAP receipt is a temporary bridge, not a permanent condition, because every participant has a clear, supported pathway to a living-wage career.

CORE VALUES

- **Dignity First** — Every participant is treated with respect regardless of their background, justice involvement, or current circumstances.
- **Credential-Driven** — We deliver only programs that result in a recognized, employer-valued credential. No certificate of completion without a credential.
- **Barrier Removal** — We identify and remove every barrier — transportation, childcare, housing, tools, clothing — that stands between a participant and program completion.
- **Employer Alignment** — Every program is built around what employers in Marion County are actively hiring for, at wages above the SNAP exit threshold.
- **Data Accountability** — We track every participant from enrollment through 90-day post-placement and report outcomes transparently to all funding partners.

FOUNDER BACKGROUND

Elizabeth Greene is a U.S. Army Veteran (Unit Supply Specialist, Honorably Discharged), IRS Enrolled Agent (EA) with active EFIN and PTIN, EPA 608 Certified Proctor, Indiana Substitute Teacher, Licensed Barber, DOL Registered Apprenticeship Sponsor (RAPIDS #2025-IN-132301), SAM.gov Registered Federal Government Contractor (CAGE: 0Q856), ByBlack Certified, EmployIndy Partner, WorkOne Partner, ETPL Provider, WIOA/WRG/JRI Approved, Job Ready Indy Partner, HSI Affiliate, CareerSafe OSHA Provider, Milady Partner, NRF Rise Up Provider, and Certiport CATC. She also operates SupersonicFastCash (tax preparation software company) and Selfish Inc., a 501(c)(3) nonprofit (DBA: The Rise Foundation) providing VITA free tax preparation and community services to underserved Indianapolis residents. Her personal experience navigating workforce barriers as a veteran and community member directly informs Elevate's participant-centered program design.

SNAP E&T PARTICIPANTS SERVED — ANNUAL PROJECTION (150 PARTICIPANTS)

Elevate for Humanity projects serving 150 unduplicated SNAP E&T participants annually. The following table details the participant population by category, eligibility basis, and program track assignment. All participant counts are based on Marion County SNAP caseload data, WorkOne referral capacity, and Elevate's current enrollment infrastructure.

Participant Category	Eligibility Basis	Count	% of Total	Primary Program

Older Disconnected Youth (18–24)	SNAP eligible, not in school or work	10	7%	IT, Beauty, Business
Housing-Unstable / Homeless — SNAP	SNAP eligible, housing barrier documented	5	3%	All tracks — barrier plan required
TOTAL SNAP E&T PARTICIPANTS		150	100%	

SNAP E&T ELIGIBILITY & ENROLLMENT PROCESS

All participants enrolled in Elevate's SNAP E&T program are verified as SNAP-eligible prior to enrollment. The following process is followed for every participant:

- **Step 1 — Referral:** Participant is referred by WorkOne Indianapolis, EmployIndy, FSSA DFR caseworker, or self-refers through Elevate's intake process.
- **Step 2 — SNAP Verification:** Elizabeth Greene (Authorized Representative) verifies active SNAP case number with FSSA DFR. Mandatory vs. voluntary status confirmed.
- **Step 3 — Barrier Assessment:** Leslie Wafford (Director of Community Services) and the SNAP E&T Case Manager conduct a comprehensive barrier assessment covering transportation, childcare, housing, disability, LEP, and justice involvement.
- **Step 4 — Individual Employment Plan (IEP):** SNAP E&T Case Manager develops a written IEP with the participant identifying the credential program, timeline, supportive services needed, and employment goal.
- **Step 5 — Program Enrollment:** Participant is enrolled in the appropriate credential program. Enrollment documentation submitted to FSSA DFR within 5 business days.

- Step 6 — Supportive Services Authorization: Required supportive services (transportation, childcare, tools, clothing) authorized and disbursed per the IEP.
- Step 7 — Progress Monitoring: SNAP E&T Case Manager conducts monthly check-ins. Attendance tracked weekly. Indiana Career Connect updated monthly.
- Step 8 — Credential Attainment: Upon credential completion, participant is connected to employer partners for job placement. 90-day follow-up conducted.
- Step 9 — FSSA Reporting: Quarterly participant outcome reports submitted to FSSA DFR including enrollment, completion, credential attainment, and employment placement data.

SECTION 9 — FSSA SNAP E&T TPP BUDGET — ALLOWABLE COSTS (150 PARTICIPANTS)

This budget covers 150 SNAP E&T participants annually. All costs are allowable under 7 CFR 273.7 and the Indiana SNAP E&T State Plan. Non-allowable costs (marketing, general software, capital equipment not used for training, non-E&T overhead) are excluded. Personnel FTE allocations are based on documented time-and-effort records. No indirect cost rate is claimed — all costs are direct. Facility rent is prorated at 75% for E&T program use at Keystone Crossing offices and 100% at all dedicated training sites (Caito Dr, 6331 N Keystone Ave, 7116 N College Ave) per the organizational cost allocation plan. Fringe rate: 15% (FICA 7.65%, unemployment 1.35%, workers comp 6%).

A. PERSONNEL — SALARIES & FRINGE (7 CFR 273.7)

FTE allocations are conservative and defensible by time-and-effort documentation. Staff with non-E&T duties (CEO, Finance, IT) are allocated at partial FTE only. No staff member is claimed at 100% E&T unless their role is exclusively participant-facing.

Staff Member / Position	FTE	Full Salary	E&T Salary	Fringe 15%	Total
Elizabeth Greene CEO / Authorized Rep / E&T Case Mgr Oversight	40%	\$110,000	\$44,000	\$6,600	\$50,600

Alberta Davis Testing Center Coordinator & Proctor	90%	\$46,000	\$41,400	\$6,210	\$47,610
Delores Reynolds Social Media & Digital Outreach — E&T recruitment	25%	\$52,000	\$13,000	\$1,950	\$14,950
SNAP E&T Case Manager Dedicated Case Manager — 150-participant caseload	100%	\$52,000	\$52,000	\$7,800	\$59,800
Personnel Subtotal			\$496,600	\$74,490	\$571,090

B. BUILDING SPACE & UTILITIES — 4 LOCATIONS

Elevate operates four facilities dedicated to E&T program delivery. Caito Dr, 6331 N Keystone Ave, and the manufacturing/trades location include utilities in rent. Keystone Crossing office space does not include utilities — internet and phone are prorated at 60% for E&T use.

Location / Purpose	Monthly Rent	Utilities	E&T %	E&T Annual
8888 Keystone Crossing, Suite 1300 (Office A) Indianapolis, IN 46240	\$1,700	Not incl.	75%	\$15,300
