Transportation & Other Costs (materials, etc.)	—	\$54,000
Tuition / Training Costs	—	\$16,000
Total Participant Reimbursements	—	\$70,000
V. TOTAL PROGRAM COSTS	\$30,680	\$794,657

Estimated SNAP E&T Federal Reimbursement (50% of Federal Share):
\$397,329

6. PARTICIPANT REIMBURSEMENTS — TABLES E.I. & E.II.

Regulatory Authority: 7 CFR 273.7(d)(4)

State agencies are required to pay for or reimburse participants for expenses that are reasonable, necessary, and directly related to participation in E&T. If a State agency serves mandatory E&T participants, it must meet all costs associated with mandatory participation. If an individual's expenses exceed available reimbursements, the individual must be placed into a suitable component or exempted from mandatory E&T.

TABLE E.I. — ESTIMATES OF PARTICIPANT REIMBURSEMENTS

Row	Description	Amount / Count
I.	Estimated number of E&T participants to receive reimbursements (unduplicated annual count)	150
II.	Estimated number of E&T participants to receive reimbursements per month (duplicated count)	60
III.	Estimated budget for E&T participant reimbursements in upcoming fiscal year	\$70,000

IV.	Estimated budget for E&T participant reimbursements per month (Row III ÷ 12)	\$5,833
V.	Estimated amount of participant reimbursements per E&T participant per month (Row IV ÷ Row II)	\$97

TABLE E.II. — PARTICIPANT REIMBURSEMENT DETAILS

Category	Description / Policy	Max / Participant	Type
Transportation	Bus passes, mileage reimbursement, rideshare support. Required for all mandatory E&T participants.	\$150/month	MANDATORY
Childcare	Licensed childcare costs per CCDBG market rate surveys. Required for mandatory participants with dependents.	\$500/month	MANDATORY
Tools / Equipment	Program-required tools, kits, and equipment for hands-on training components.	\$300 one-time	Optional
Credential Test Fees	Exam registration and certification fees (NHA, EPA 608, CompTIA A+, CDL skills test).	\$250 one-time	Optional
Work Clothing	Scrubs, safety gear, steel-toed boots, and professional attire required for program completion.	\$200 one-time	Optional
Books / Materials	Textbooks, workbooks, and study materials required for classroom instruction.	\$150 one-time	Optional
License Fees	State licensing and occupational license application fees upon credential completion.	\$100 one-time	Optional
Electronic Devices	Tablets or laptops for online/hybrid coursework where participant has no device access.	\$300 one-time	Optional

CHILDCARE WAITING LIST POLICY

Elevate coordinates childcare referrals through CCDF-eligible providers. Participants on waitlists are provided alternative supportive services (transportation, flexible scheduling) while awaiting childcare placement. No participant is disenrolled due to childcare waitlist status.

7. E&T COMPONENTS — TABLES G.I.–G.XI.**TABLE G.VII. — CAREER & TECHNICAL EDUCATION / VOCATIONAL TRAINING [OFFERED]****Description:**

Elevate delivers 35+ industry-recognized credential programs across five tracks: Healthcare (CNA, HHA, Phlebotomy, QMA, Medical Assistant, Pharmacy Technician, Peer Recovery Specialist); Information Technology (IT Help Desk/CompTIA A+, Cybersecurity Analyst, Network Administration, Web Development, Software Development, Graphic Design, CAD/Drafting); Skilled Trades (HVAC/EPA 608, CDL Class A & B, Welding, Electrical, Plumbing, Forklift Operator, Construction Trades, Diesel Mechanic, Building Services Technician); Beauty & Personal Services (Cosmetology, Barbering, Nail Technician, Esthetician — DOL Registered Apprenticeships); Business & Professional (Bookkeeping/QuickBooks, Tax Preparation, Office Administration, Business Administration, Entrepreneurship, Project Management). All programs result in a recognized, employer-valued credential. All are listed on the Indiana ETPL.

Target Population:

SNAP recipients and ABAWD participants in Marion County and surrounding counties (Hamilton, Hendricks, Johnson, Madison). Priority populations: mandatory E&T participants, ABAWDs, returning citizens, veterans, individuals with disabilities, LEP participants, disconnected youth ages 18–24, and housing-unstable individuals.

Eligibility Criteria:

Active SNAP case number verified by Elevate authorized representative (Elizabeth Greene) with FSSA DFR prior to enrollment. Mandatory vs. voluntary status confirmed. Individual Employment Plan (IEP) developed with SNAP E&T Case Manager. No prior education requirement — programs designed for participants with a high school diploma or GED equivalent.

Geographic Area:

Marion County (primary). Hamilton, Hendricks, Johnson, and Madison Counties (secondary). Four training sites: 8888 Keystone Crossing Suite 1300 (IT, testing, admin); 5860 Caito Dr Building 5 (trades, HVAC, CDL prep); 6331 N Keystone Ave (healthcare, beauty); 7116 N College Ave (construction trades, manufacturing). Online/hybrid components available statewide via Elevate LMS.

Service Providers:

Elevate for Humanity Technical and Career Institute (primary). Program Holders: Naomi Jordan / Rebuilds Mind and Body Studio LLC (healthcare); Ameco Martin / Ameco's Enterprise LLC (IT & business); First Class Training Center (HVAC curriculum); Textures Institute of Cosmetology (nail/cosmetology); Kountry Kutz Barbershop (barbering apprenticeship); LoopRoots Foundation (reentry/peer recovery); Center of Destiny (community outreach).

Projected Annual Participants
135

Estimated Annual Cost
\$556,337

Non-Supplanting Statement:

These credential programs are not currently offered by any other SNAP E&T provider in Marion County at no cost to participants. Elevate's programs supplement — not replace — existing WIOA and WorkOne services. No participant is enrolled in a program already funded by another federal or state source for the same activity during the same period.

Cost Parity Statement:

Program costs are consistent with ETPL-listed rates for comparable credential programs in the Indianapolis MSA. CDL Class A: \$5,500 (market rate \$4,500–\$7,000). CNA: \$2,500 (market rate \$1,800–\$3,500). CompTIA A+: \$2,800 (market rate \$2,500–\$4,000). All costs are at or below comparable ETPL-listed providers.

Direct Linkage to Employment:

All 35+ programs are directly linked to employment in high-demand occupations in Marion County. Healthcare programs connect to Guiding Angels Care, Harmony Heights Care, Better Days at Better Life Home Care, and Cradle to Crayons Academy. CDL programs connect to Driver Solutions (active placement pipeline, avg. 30 days to placement). IT programs connect to EmployIndy employer network and Warren Central High School WIOA employer partners. Beauty programs connect to Kountry Kutz Barbershop, Textures Institute, and Mesmerized by Beauty. All participants receive job placement support and 90-day post-placement follow-up.

TABLE G.X. — WORK READINESS TRAINING (WRT) [OFFERED]

Description:

Work Readiness Training is embedded in all credential programs and delivered as a standalone component for participants who need foundational workplace skills before entering a credential track. Covers: professional workplace behavior and communication; resume writing and LinkedIn profile development; mock interview preparation; workplace safety (OSHA 10 via CareerSafe); financial literacy and budgeting; digital literacy (IC3 certification pathway); time management and attendance expectations; understanding pay stubs, taxes, and benefits; workplace rights and responsibilities.

Target Population:

All 150 SNAP E&T participants receive work readiness training as part of their Individual Employment Plan. Priority for standalone WRT component: participants with no prior formal work history, returning citizens, individuals with significant employment gaps, and youth ages 18–24.

Eligibility Criteria:

All enrolled SNAP E&T participants. No prerequisite. WRT is delivered concurrently with credential training or as a pre-credential bridge for participants assessed as needing foundational workplace skills.

Geographic Area:

All four Elevate training sites. Online modules available via Elevate LMS for hybrid participants.

Service Providers:

Elevate for Humanity staff (SNAP E&T Case Manager, Program Coordinator Clystjah Woodley, Director of Community Services Leslie Wafford). CareerSafe (OSHA 10 online modules). NRF Rise Up (customer service and retail fundamentals). EmployIndy (employer panels and mock interview events).

Projected Annual Participants
150

Estimated Annual Cost
\$18,000

Non-Supplanting Statement:

Work readiness training is not duplicated by any other funded program for these participants. WRT is delivered as an integrated component of Elevate's SNAP E&T program and is not separately funded by WIOA or any other source for the same participants during the same period.

Direct Linkage to Employment:

Work readiness skills are required by all employer partners. Guiding Angels Care, Harmony Heights Care, Driver Solutions, and Kountry Kutz Barbershop have all confirmed that professional workplace behavior, punctuality, and communication are primary hiring criteria.

WRT directly prepares participants for the behavioral expectations of employment.

TABLE G.XI. — OTHER (CASE MANAGEMENT & WRAPAROUND SUPPORT) [OFFERED]

Description:

Comprehensive case management and wraparound support services delivered by the dedicated SNAP E&T Case Manager and Director of Community Services (Leslie Wafford). Services include: initial SNAP eligibility verification and mandatory/voluntary status determination; comprehensive barrier assessment (transportation, childcare, housing, disability, LEP, justice involvement); Individual Employment Plan (IEP) development and ongoing revision; supportive services authorization and disbursement (transportation, work clothing, tools, testing fees); monthly progress monitoring and attendance tracking; Indiana Career Connect data entry and maintenance; coordination with WorkOne Indianapolis, EmployIndy, and FSSA DFR caseworkers; housing referrals (Horizon House, Salvation Army, Indianapolis Housing Agency, CHIP); mental health and substance abuse referrals (Eskenazi Health, Fairbanks Hospital, Indiana Recovery Alliance); 90-day post-placement follow-up and retention support; quarterly outcome reporting to FSSA DFR.

Target Population:

All 150 SNAP E&T participants. Case management is provided to every enrolled participant regardless of mandatory/voluntary status. Intensive case management (weekly contact) provided to participants with multiple barriers.

Eligibility Criteria:

All enrolled SNAP E&T participants. Case management begins at enrollment and continues through 90 days post-placement.

Geographic Area:

All four Elevate training sites and via phone/video for participants with transportation barriers. Home visits available for participants with severe mobility limitations.

Service Providers:

SNAP E&T Case Manager (dedicated, 1.0 FTE); Leslie Wafford, Director of Community Services (1.0 FTE); Elizabeth Greene, CEO/Authorized Representative (0.40 FTE — FSSA reporting, enrollment documentation, supportive services disbursement).

Projected Annual Participants

150

Estimated Annual Cost

\$246,000

Non-Supplanting Statement:

Case management services provided under this component are specific to SNAP E&T program requirements and are not duplicated by WIOA case management services. WIOA case management focuses on employment plan development and job placement; SNAP E&T case management focuses on barrier removal, supportive services, and FSSA compliance reporting. The two systems are coordinated but not duplicative.

Direct Linkage to Employment:

Case management directly enables program completion and employment placement. Barrier removal (transportation, childcare, housing) is the primary driver of the 82% completion rate target. Participants who receive case management services have significantly higher completion and placement rates than those who do not, per national SNAP E&T outcome data.

TABLE G.I. — SUPERVISED JOB SEARCH (SJS) [OFFERED]

Description:

Supervised Job Search (SJS) is provided to all participants who have completed a credential program and are actively seeking employment. SJS activities include: structured job search sessions at Elevate's career resource center (8888 Keystone Crossing); resume review and cover letter preparation; online job application assistance (Indeed, LinkedIn, employer portals); job fair participation (EmployIndy, WorkOne, sector-specific fairs); employer outreach and direct referrals to hiring partners; mock interviews with feedback; job offer evaluation and negotiation coaching; documentation of job search activities per FSSA requirements.

Target Population:

SNAP E&T participants who have completed or are near completion of a credential program and are ready for employment. ABAWDs who need to document 80 hours/month of qualifying activity.

Eligibility Criteria:

Credential completion or near-completion. Active SNAP case. Documented job search activities required — minimum 3 employer contacts per week during SJS component.

Marion County and surrounding counties. Remote job search assistance available via Elevate LMS and phone/video for participants with transportation barriers.

Service Providers:

Job Placement Specialist (planned hire); SNAP E&T Case Manager; EmployIndy employer network; WorkOne Indianapolis; Driver Solutions (CDL placement pipeline).

Projected Annual Participants

82

Estimated Annual Cost

\$12,000

Direct Linkage to Employment:

SJS directly results in employment placement. Driver Solutions provides active CDL placement with average 30-day time-to-placement. Guiding Angels Care and Harmony Heights Care provide priority hiring for CNA and Peer Recovery Specialist completers. EmployIndy employer network provides connections across all program tracks.

TABLE G.II. — JOB SEARCH TRAINING (JST) [OFFERED]

Description:

Job Search Training (JST) provides structured instruction in job search skills, delivered as a group workshop series and individual coaching. JST curriculum covers: labor market information and in-demand occupations in Marion County; how to use Indiana Career Connect, Indeed, LinkedIn, and employer portals; resume writing workshop (chronological and skills-based formats); cover letter writing; professional references and how to request them; background check disclosure strategies for returning citizens; interview preparation (STAR method, common questions, dress code); salary negotiation and benefits evaluation; 30/60/90-day employment plan development.

Target Population:

All SNAP E&T participants prior to or concurrent with credential training. Mandatory for all participants with no prior formal employment history. Strongly recommended for returning citizens and participants with employment gaps of 2+ years.

Eligibility Criteria:

Active SNAP enrollment. JST is delivered as a 2-day intensive workshop at program entry and as ongoing individual coaching throughout the program.

Geographic Area:

All four Elevate training sites. Online modules available via Elevate LMS.

Service Providers:

SNAP E&T Case Manager; Program Coordinator Clystjah Woodley; EmployIndy (labor market information and employer panels); WorkOne Indianapolis (Indiana Career Connect training).

Projected Annual Participants

150

Estimated Annual Cost

\$8,000

Direct Linkage to Employment:

JST directly prepares participants for the job search process. Participants who complete JST have documented higher rates of employer contact and faster time-to-placement. All employer partners (Guiding Angels Care, Driver Solutions, Kountry Kutz, EmployIndy network) confirm that resume quality and interview preparation are primary factors in hiring decisions.

8. EMPLOYER & PROGRAM HOLDER PARTNERS

Organization Name	Industry / Type	Location	Programs
Guiding Angels Care	Healthcare / Home Care	Indianapolis, IN	CNA, HHA, Peer Recovery
Harmony Heights Care	Healthcare / Assisted Living	Indianapolis, IN	CNA, QMA, HHA
